IMPORTANT – PLEASE READ!

Scheduling of Runs / Concurrent Run Procedures / Note to Handlers:

Both events are being run concurrently. This means we schedule dogs to run both runs for each day within a single run block. In this scenario, if you have one dog entered and you are scheduled in the AM to do both runs, your two runs will be approximately 30 runs apart, giving your dog time to rest. The PM portion will be run the same way as the AM. Run blocks will be assigned as a first-entered first-assigned. Any dog not present by the time the test ends for their assigned block will be considered absent.

What is Fast CAT

Fast CAT (Fast Coursing Ability Test) is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually. Dogs are timed when they complete the 100-yard dash. The time is converted to miles per hour (MPH).

$$204.545 / \text{run time} = \text{MPH}$$

Points = MPH multiplied by the dog's handicap (rounded to the nearest 0.01MPH)

A dog's handicap is determined by the height of the dog at the withers, a handicap is applied, and points are earned.

18" or greater = Handicap multiplier - 1.0

12" to 18" = Handicap multiplier - 1.5

12" and below = Handicap multiplier - 2.0

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points FCAT = 1000 points

FCAT2 = 1500 points

FCAT#... For each additional 500 points

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection committee has the authority to disallow a dog's entry into a test. Bitches in season with either a visual inspection or a letter from a vet will receive entry refund. Lameness and unfit dogs will be excused with a refund per AKC Regulations for FAST CAT.

It is the responsibility of each entrant to make an effort to be ready when their dog is called to the line. The tests begin at 8:00 AM and will end at 3:00 PM or earlier if all runs have been completed. Any dog that is not present by the time their assigned time block ends will be considered absent.
